Streaming Waters Work Week: The main topic of discussion was in regard to the Streaming Waters Work Week. The first step is to get the brochure and application ready for distribution. Joann Mutch will make final revisions to the brochure/application form and get the electronic copies to Laurie who will then work with Yeast Printing for completion of 100 brochures. Laurie will then notify those who volunteered to distribute the brochure to the various agencies, of when the brochures are ready to be picked up at the church for distribution.

The need for a time table in the preparation of the Streaming Waters work week was continued from the January meeting. Laurie had prepared a draft of the time table and several of the action items were discussed and set into motion.

Robin suggested assigning leaders to certain SWWW projects. She will come up with a list of items that need leaders and present it at the next meeting.

Missions Team Budget: A brief overview of the 2010 budget was presented by Laurie. The budget for the SWWW was \$10,000. A motion was made by Robin and seconded by Darlos to increase the budget for SWWW by \$2,000. The motion carried. The SWWW budget for 2010 will be \$13,000 which includes the \$1,000 donated by Industry UMC.
