June 8, 2009

In attendance: Laurie Black, Connie Vance, Kathryn Coffman, Robin Riebling, Ray Brinker, Lynne Brinker, Max Pierson, John Carter, Steve Smith and Russ Smith

Minutes of May 19 meeting were read and approved as written. Marcia Moulden spoke as a representative of the MAPP Team. TMP 4 goal, "We must intentionally reach out to the community in genuine love, service and witness."

Streaming Waters Work Week is a number 1 project in meeting this goal. Another goal is to increase congregational participation in Loaves and Fishes through providing workers and financial support. Contact to be made with David Helm for further discussion.

Robin Riebling reported that 20 volunteers have indicated availability to work for Streaming Waters Camp. Eight applications are on file, two additional applications received that evening.

Since Pastor Steve will leave the church July 1 for an appointment to Carthage UMC, Don Greer and Jay Cremer will be the "go-to" people for the project.

A meeting has been held for the evaluators to discuss their responsibilities. Reports should be back on projects for the June 22 meeting. First aid kits are needed at each job site. A list of tools is needed for projects. A list of supplies needed for projects. Day shift – evening shift hours may need to be set. On-site supervisor named at each project.

Volunteer meeting to organize teams for each project and volunteer guidelines; show respect for the clients, no pictures to be taken, confidentiality respected.

Must have written statement from insurer regarding Liability Insurance for this project.

Contact UMW to determine if they would prepare lunches and drinks for each volunteer and client being served. Kathryn Coffman will make contact and report back on June 22nd. During lunch break a short devotional will be shared in the group.

The Corn Project which would usually fall in this time frame will be evaluated and reported on June 22nd.

Respectfully Submitted by Kathryn Coffman, Acting Secretary
